

Renew In Knowledge 4 Year Anniversary Bulletin

Renew In Knowledge is now four years old! We started this publishing ministry with the aim of encouraging and edifying believers based on the transforming power of the magnificent Word of God.

Repent, for the kingdom of heaven is at hand. (Matt. 4:17 ESV)

The repentance mentioned here is the invitation for lost mankind to the kingdom of God. It shows God's character - the Holiest of Holy. For a sinful man to come to His presence, he needs to be redeemed and renewed. That is why repentance is the essence of the gospel of Christ. Moreover, the invitation to repent shows the love of God. He is willing to reach out and give the lost another chance. None of us deserved a second chance. But God's abundant love gives us an opportunity to be part of His kingdom.

Renew In Knowledge wants to continue to spread the message of this powerful love of God. In the past four years, we have published more than **130 articles**. More than thirty authors contributed to this Christian ministry. Visitors from **130 countries** have been blessed through devotionals, stories, studies, and testimonies. Praise be to God! It is amazing how God can multiply limited resources and abilities much beyond what we can think of. He is the same God who fed 5000 people with just 5 loaves of bread. Our availability to serve an Almighty God can make a tremendous impact for the glory of the kingdom of God.

We thought it might be helpful to introduce to readers some studies or series we have covered in the past.
